Staff Member of the Month: Pierre, Training & Sales Manager

Pierre Payette, our Training & Sales Manager, is our Staff Member of the Month! Pierre grew up in Jamaica Plain and started working with bicycles as a high school student at Ferris Wheels Bike Shop. He is one of our veteran staff and has been with our team since Winter 2017! He always goes the extra mile to help customers and we really appreciate his hard work.

"My favorite thing about working at Bikes Not Bombs is working towards a better landscape of educational and economic opportunities for myself and many others in the Boston area and abroad. This holiday season I am looking forward to resting, mountain biking in the snow and saying hi to my grandparents from a distance outside their home in Massachusetts."

Host your own bike drive!

Eagle Scout, Alex Gardenier (right) organized this bike drive for us in Franklin, MA! We have collected over 500 bikes with recent bike drives in Andover, Arlington, Franklin, Plymouth, and West Roxbury.

It's easy to [organize a bike drive](#) in your own community. You bring the bike donors, and we'll come to you with the truck, trained staff, volunteers, and tools to collect the bikes! Pictured below is Eagle Scout candidate Alex Gardenier (right), who organized this bike drive for us in Franklin, MA. With the help of Alex and other generous volunteers, we were able to collect over 100 bikes! Contact Eric Mearns at: eric@bikesnotbombs.org to get started.
